

ARE YOU...

- Registered in Pharmacist Scope of Practice, have a current APC, with no conditions.
AND
- Have at least two years post registration experience in direct face to face, patient orientated care in hospital, community or primary care setting.
AND
- Hold a Post Graduate Qualification (Medicine Management) or (Clinical Pharmacy)

NO

Not currently eligible for MTA Accreditation

Yes

Are you currently working in a MTA like role?

(e.g in primary care alongside GP Practice or providing MURs on a regular basis)

NO

Contact PSNZ Education directly – education@psnz.org.nz.

Eligibility will be assessed on a case by case basis and as per MTA requirements:

You may be asked to:

- Establish a collegial relationship with a collegial advisor (e.g. formal peer support)
- Apply for recognition of prior knowledge and experience.
- Submit evidence of recent (within the last two years) demonstration of current clinical knowledge/application of pharmacotherapy and practice experience in a direct patient facing role.

Yes

Complete the MTA Accreditation Portfolio:

Includes submission of:

- THREE care plans undertaken within the last 12 months.
- Supplementary evidence of documentation for MTA Service administration
- Evidence of current recertification requirements
- Evidence of established relationship with a Collegial Advisor and participation in peer group e.g. evidence of peer review and support

Then

MTA ACCREDITATION
