

REVISIT THE WORKPLACE COURSE

Distance Learning Pack Designed for study with a colleague or mentor pharmacist

- Do you want to refocus on core dispensing skills?
- Do you want to catch up with changes and polish your skills?
- Have you had time out from the New Zealand pharmacy scene?
- Do your ENHANCE goals include dispensing or counter prescribing?

Covers professional and legislation issues, dispensing and counter prescribing
 Work to your own schedule in the convenience of your own locality
 Activities to focus your learning & tasks to be submitted for certificate of completion

Ideal to use with a supervisor pharmacist in a supervised work situation
 Ideal for those returning from overseas or maternity leave

If you are returning to the workforce after time away, you need to discuss your situation with the Pharmacy Council of NZ. A Practising Certificate is required to undertake the learning tasks in this course. The estimated time to complete is 3 months. This course is recognised by the Pharmacy Council of NZ as part of their Return to the Workforce requirements for pharmacists 3 – 8 years out of practice.
