

Revisit the Workplace Course

Distance Learning Workbook

Do you want to refocus on core dispensing skills?
Have you had time out from the New Zealand pharmacy scene?

Covering professional and legislation issues, dispensing and counter prescribing Work to your own schedule in the convenience of your own locality Activities to focus your learning & tasks to be submitted for certificate of completion

Ideal to use with a supervisor pharmacist in a supervised work situation Ideal for those returning from overseas or maternity leave

This course is recognised by the Pharmacy Council of NZ as part of their Return to the Workforce requirements for pharmacists 3 – 8 years out of practice. If you are returning to the workforce after time away, you need to discuss your situation with the Pharmacy Council of NZ. A Practising Certificate is required to undertake the learning tasks in this course.
