

## Career and business development for New Zealand pharmacy professionals

### Enhance your professional skills with the **Diploma of Leadership and Management** and the **Graduate Diploma of Advanced Pharmacy Practice** from the Pharmaceutical Society of Australia (PSA)

Available to **Pharmaceutical Society of New Zealand members exclusively** through a joint collaboration. The PSA qualifications provide a unique opportunity for formal postgraduate education in leadership and management tailored to pharmacy – that is not currently available in New Zealand. Ideal for pharmacists with leadership or managerial responsibilities, or those who have identified this area as a specific learning goal.

As a Registered Training Organisation with the Australian Skills Quality Authority, PSA is able to award diploma/graduate diploma level qualifications to New Zealand pharmacists.

PSA programs are flexible and can be started at any time. We offer mentoring and support throughout to ensure you get the most from your study.

**ENROL TODAY**

#### Why choose PSA?

- Be awarded with an internationally recognised diploma/graduate diploma level qualification tailored to pharmacy.
- Learning presented endorsed by PSNZ as applicable to NZ practice.
- Receive mentoring and support from PSA who has a proven track record in providing high quality education to pharmacists.
- Learn at your own pace and time with PSA eLearning.
- Apply your learning directly to professional practice through an integrated education program.
- Apply the skills you learn to any management or leadership role.
- ENHANCE Accredited Group 2 learning.

**‘Although I had owned and managed a pharmacy for many years, I found the Diploma to be invaluable and one of the best training investments I have made.’**

– Linda, Pharmacist, Victoria.

PSA PROGRAMS ARE  
FLEXIBLE AND CAN BE  
STARTED AT ANY TIME.

## Diploma of Leadership and Management

Better manage yourself, your staff and your business.

PSA's Diploma of Leadership and Management (BSB51915) is offered as part of the Business Services Training Package (BSB07) and is recognised in Australia and internationally as an Australian accredited course. It is a great stepping stone into management, or a formalisation of the skills you have already acquired at work.

The Diploma of Leadership and Management can be completed within 12 months of commencement (or longer if you prefer).

The Diploma delivers training in a range of critical performance areas:

- Business management
- People management
- Marketing
- Customer service
- Innovation and leadership

**Course fee:** AUD\$4,800

Payment can be made by instalments.

UP TO  
**48**  
CPD CREDITS  
GROUP 2

'The Diploma gave me the tools to enhance my new role as part of the pharmacy management team. It gave me insights into areas I hadn't thought about before.'

– Julie, Pharmacist, Victoria.

## Graduate Diploma of Advanced Pharmacy Practice

Lead, innovate and advance your practice.

The Graduate Diploma of Advanced Pharmacy Practice (10737NAT) will give you everything you need to move your career or business onto a whole new level. Get the leadership and innovation skills to really advance your practice.

The Graduate Diploma of Advanced Pharmacy Practice can be completed within 2 years of commencing (or within a shorter or longer time frame if you prefer).

Key areas covered in this course include:

- Leadership

- Communication
- Strategic planning
- Innovative thinking and practice
- Research
- Professional pharmacy services
- Quality use of medicines
- Primary health care delivery

**Course fee:** AUD\$ 5,250

Payment can be made by instalments.

GROUP 2

'This qualification gives pharmacists an additional level of skills and knowledge which can further their career and professional opportunities which may not have been possible otherwise.'

– Grant Kardachi, former  
PSA National President

### Future study opportunities

Successful graduates of this course can enrol and receive credit points towards a Chifley Business School postgraduate program including a Master of Business Administration (MBA).
